

Humor Us!

Helping professional speakers bring more humor to their programs and audiences

You don't have to be the *last comic standing* to derive benefit from using humor as a professional speaker.

- ☺ Learn myriad techniques for adding humor to your programs, even if you don't "do" humor as a speaker.
- ☺ Learn simple, replicable techniques you can adapt to your own needs, for adding humor, laughter and fun to your speeches, training and presentations.
- ☺ Receive humor coaching to punch up introductions, bits and stories.
- ☺ Recommended books available for viewing and purchasing
- ☺ Handout with Resource List and Refreshments provided

This benefit of NSA/NC Membership is available to members of NSA/NC and 2007 Pro-Track enrollees.

Presented by Craig Harrison, LAUGHLOVERS founder,
www.laughlovers.us

Since the age of eleven when he went door-to-door in Berkeley selling Used Jokes, Craig has been using humor to make friends and sales. Craig's articles on humor have appeared in the *San Francisco Chronicle*, NSA's *Punchline* and *The Toastmaster*, and he's won Tall Tales, Lip Synch and Dramatic Speaking contests using his brand of Homegrown Humor.
